International Throwing Competition (Ryboomania 2020)

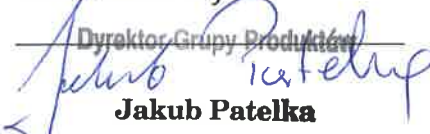

Dear Sir or Madam,

due to the current outbreak of coronavirus disease (SARS-CoV-2), which is spreading worldwide, also in the European countries including Poland, we regret to inform you, that we have decided, after consulting the relevant departments, to **cancel the International Throwing Competition – Indoor European Cup 2020**, which were to be held on 6-7th March 2020 on the area of Poznań International Fair. This decision was motivated by the desire to ensure the safety of the event participants.

As you are aware, this is an exceptional situation and we are hope for its understanding.

We would like to express our satisfaction with the overall cooperation with the Polski Związek Wędkarski and we hope for its further fruitful continuation. We hope that Poznań International Fair could host the next editions of the International Throwing Competition.

Yours faithfully
